**Re: Water Service Disruption**

**Project Name: 2021 Pavement Rehabilitation Project**

**All Residents:**

**Pacific Excavation will be performing a tie in of the new waterline installed along North St to the existing city system on Thursday October 28<sup>th</sup> beginning at 10AM and being completed no later than 2PM that same day. During this time your water service to your house will be disrupted. Thank you for your patience in advance as we work to complete this project. if you have any questions about this service interruption please feel free to contact me**
